Baseball Practice Field Rental Policy 2021

Fields/Equipment:

- i. PLL will rent the following fields: TBall (5-7yr old teams), Coach pitch and Field 5 (5-8yr old teams), Fields 6, 7 and 8 (5-13yr old teams). Senior field (13-17yr old teams)

Teams

a. Eligibility

- a. Use of PLL facilities for Select Team activities is permitted only by approval of the PLL Executive board.
 - i. A roster of players must be submitted to the scheduler including all names and birthdates before any practices can be scheduled.
 - b. Teams that have a roster that includes at least 50% of their players +1 who participated in PLL in the most recent Spring Season (or who are participating in the current PLL Fall Ball program) will qualify for the PLL friends rate, and get preferential scheduling. Example – 12 Player roster ($\frac{1}{2}$ of $12=6+1=7$) would need 7 players. Odd number of players on the roster it rounds up (i.e. 11 player roster, $\frac{1}{2}=5.5 +1 = 6.5$ roundup means 7 players)
 - c. Teams with less than 50% of their players +1 who participated in the most recent Spring Season (or are not currently participating in the PLL Fall Ball program) are eligible to use the fields but at the select team rate, and will get available time slots after PLL friendly teams have been scheduled.
- b. All teams must have an approved insurance policy on file with PLL before practice slots will be reserved.
 - c. This agreement is for a single team of up to 14 players to have a practice.
 - d. If a single organization wishes to use the field for multiple team/age group practice a request must be made to the Executive board for approval. This is due to safety concerns of the mixed age groups. A formal practice plan may be requested so that PLL understands how the team will utilize the field safely. Additional charges may apply above the listed rates below.
 - e. Any team that wishes to host a scrimmage with another team must request approval from the scheduler and/or President and if approved provide proof of team insurance.
 - f. Any team observed not respecting the fields, cages, or any other portion of the Dads club grounds will be removed and not be allowed to return for any future practices. This includes hitting baseballs into any fences on the grounds or not wearing helmets while batting (in the cages or on the fields)

Scheduling:

- i. Requests for fields will be accepted from the team manager only.
 - a. A Google form on the PLL website is how all requests shall be submitted.

- b. Fields are scheduled in 2hr blocks. Available times are M-F 5:30-7:30 and 7:30-9:30; Saturday/Sunday 8-10, 10-12, 12-2, 2-4, and 6-8.
- ii. All communications shall be by e-mail
 - a. While responses may be timely if possible, there may be circumstances that do not allow this. Plan ahead to avoid issues.
 - b. Changes during the schedule week are strongly discouraged and may not be granted. Last-minute requests may not receive a response. FAILURE TO PLAN IS NOT THE SCHEDULERS PROBLEM.
- iii. All scheduled rentals are subject to change based on the needs of PLL fall ball teams or maintenance crew. If the fields are needed for makeup practices or games by the fall ball teams they will be prioritized.

When a team balance hits \$100 or less at the end of a billing cycle, the Treasurer will bill the select manager by e-mail an amount required to return the outstanding balance to \$250.
 - i. If teams are practicing multiple times a week and drawing beyond their balance during the bi-weekly cycle, then an increase in the deposit will be required.
 - b. If the team will no longer use the fields, they can e-mail both the Scheduler and the Treasurer who after completion of the next monthly cycle will send a check to the select team manager for the outstanding balance.
