- 3) Dugouts will be kept in a neat and orderly manner to prevent accidental injuries to players who may otherwise trip over bats, balls, or other equipment.
- 4) Smoking is only permitted in the parking lot, this includes electronic cigarettes.
- 5) No pets of any kind, other than service animals, are allowed on the park premises.
- 6) All accidents should be reported to the Safety Director within twenty-four (24) hours.
  - i) (See the Safety Manual for procedures.)
- 7) Batting helmets must always be worn in the batting cages. No bats shall be swung outside the batting cages, soft toss areas, or fields. No pickup baseball games using real bats shall occur on PLL fields or PLL Dad's Club property,
- 8) No noise makers, including walk up music.
- 9) Players playing the position of catcher from Coach Pitch and up must wear a cup, a throat guard on their mask, full chest protector and leg gear.
- 10) Closed toed shoes must be worn on the field or in cages.

## Scheduling

- 1) Please see the scheduling policy on the website for more details on how the schedule is created and prioritized.
- 2) Rescheduling of regular season games.
  - a) They will be rescheduled in the order in which they were cancelled.
  - b) The Scheduler shall re-schedule all make-up games and all suspended games at the earliest possible time so long as thirty-six (36) hours of notice is given to the managers of the teams via email or text message. These slots could include weeknight, Saturday, or Sunday.
    - i) This rule can be waived if both managers agree.
  - c) If a team has more than one game to make-up, the most logical ordering of games will occur, this will not necessarily be in first make-up, then second order.
  - d) The thirty-six (36) hour rule is waived during the last forty (40) days of the season and make-up games may be rescheduled at the Scheduler's discretion. If a rainout or resumed game cannot be played because of the inability of either team to place eight players on the field before the game begins, this shall constitute grounds for a forfeit.
  - e) The Scheduler will attempt to reschedule games in which a team cannot field eight players due to a school or religious function.
    - i) Managers must notify their Division Director and the Scheduler at least three (3) days ahead of the scheduled game. Failure to give proper notice is grounds for forfeiture of the game.
    - ii) Games rescheduled for school or religious functions will be scheduled on the next available day (same as rainouts).
    - iii) The Manager not requesting the original reschedule may ask for another reschedule if he/she cannot field a team of nine (9). The game may be rescheduled for the next available day, and that game may not be moved again.
    - iv) The Manager requesting the original reschedule may not request to move the rescheduled game for any reason.
- 3) Suspended games clarifications
  - a) If a game is interrupted by weather after it has reached official status, then the game will not be resumed (even if there was time on the clock), and the final score will revert to the score at the last completed inning.
  - b) Games with time remaining that are suspended due to weather prior to the completion of four (4) innings shall be resumed where time was left off and in the situation at hand.

- c) If less than one (1) inning is played before suspended, the game will be replayed in its entirety.

    1. All fees must be paid in full prior to the player joining team practice or games.

## Draft

- 1) All Divisions will have snake drafts. The last round of each draft in the Senior, Major, Minor, CP, and TB divisions which do not have enough players for each team will then be decided by draw

where each team will select from a hat either a blank (no draft choice required – one can be made if so desired by trading a number with someone willing to do so who also draws a number), or must draft a player choice with a number until all players are drafted. All teams not having a player in the uncompleted round will then draw numbers from a hat for placement of any additional children (players). The Player Agent and President will be the only individuals to know the order in which additional children (players) are to be placed. If the eleventh (11<sup>th</sup>) round is the final round of the draft, then the order of picking shall be randomized.

- 2) **No Draft Requests:** Parents may request that their child not be drafted by a coach or manager.

  - d) Each request must identify the Coach or Manager by name and must provide a specific reason or reasons for the request.
  - e) All requests will be reviewed by the Player Agent, who will only honor good faith, reasonable, and legitimate requests.
  - f) If such a request is honored, then the Manager or Coach will not be permitted to draft that player.
  - g) The requests will remain confidential.
  - h) If Manager or Coach of record has more than five (5) non-coaching requests, his right to coach will be forfeited for the season. This can be brought to the Executive Board for appeal if the Manager or Coach deems appropriate.
- 3) The draft process for a team is complete once the list of players drafted has been turned in by the Manager/Coach to the Player Agent, or acting Player Agent, and signed by both.
  - a) No trades are permitted after the draft process is complete.
- 4) **Manager's Option:** The manager's sons, daughters, or grandchildren must be claimed as a "manager's option" and may not be drafted by other teams.

- 6) **Sibling Option:** Any team selecting a player who has a sibling eligible as an option, must select the other sibling with the next available consecutive draft choice.
  - a) If neither sibling is drafted prior to the ninth (9<sup>th</sup>) round, one (1) sibling will become a hat pick to be selected at random during the Hat Pick round, with the sibling becoming their teammate during the last full round of the draft.
    - (a) \*\*\*\*Siblings means a child who lives as a brother or sister in the same house, including natural brothers or sisters with either one or both parents in common, adopted brothers or sisters, step brothers or sisters, foster brothers or sisters, or the child of a parent's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit as the same address as that sibling.
- 7) **Hat Picks:** Any player who does not try out will either be a ninth (9<sup>th</sup>) round "hat pick" or placed into the draft.
  - a) The decision to place a player into the draft or leave him as a "hat pick" will be decided by the Player Agent in consultation with the Division Director.
  - b) In making that decision, the Player Agent and Division Director will seek input, from each team, on the players who did not try out.
  - c) If the Player Agent and Division Director determine that the player's skill level is significantly greater than a ninth (9<sup>th</sup>) round draft pick, then the player shall be placed into the draft.
  - d) Prior to the draft, the Player Agent or Division Director shall explain the value/skill of the player to the Managers and Coaches.

  - b) A manager may use Rule #4 of this same section to request a game suspension of a player provided the Player Agent and Division Director has notice at least forty-eight (48) hours prior to the proposed suspension to validate the circumstances for the absences and if the suspension is in alignment with the treatment of other players. ## PLL Ground Rules and Options

- 1) A specific act of unsportsmanlike conduct under Regulation XIV occurs if: during an at-bat when the pitcher is on the mound, a batter assumes a bunting position and, prior to the pitch, moves the barrel or handle of the bat in a way that, in the judgment of the umpire, is an attempt to visually distract or heckle a struggling pitcher (such as, but not limited to, a motion known as “wagging the bat”). The penalty for this act of unsportsmanlike behaviour will be that the pitch is called a strike, regardless of location, and no runners may advance.
- 2) Continuous Batting order has been adopted for all divisions of play at PLL
  - a) A player arriving late to a game may not enter the game once their team’s leadoff batter has completed their second plate appearance. If the game is suspended, the player arriving late to the original scheduled game may enter the game per Rule 4.01(d).
  - b) Any player who the Manager declares as ineligible for the game due to illness, injury, or disciplinary reasons may not enter the current game unless the game becomes suspended and is resumed later per Rule 4.01(d).
- 3) Use of Ineligible pitcher
  - a) If it is determined that a team used an ineligible pitcher, then the Offending Team Manager will be suspended the next two (2) games.
  - b) Managers will be subject to discipline by the PLL Executive Board whether the violation was protested or discovered later.
- 4) Little League Rule 1.01 – Number of players to start and finish a game is 8 – Local option
  - a) If a game is started with eight (8) players, the ninth (9<sup>th</sup>) position in the batting line-up will be called an out every time it comes up in the line-up.
  - b) This does not apply if the game is started with nine (9) players and a team loses a player to injury. In that case the spot in the line-up is skipped.
- 5) Games can end in a tie.
  - a) Extra innings can be played if there is time remaining on the clock (N/A to T-Ball).
  - b) There is no limit to the number of innings that can be played while time remains on the clock.
  - c) A tie baseball game will count as one-half (½) game won and one-half (½) game lost.
- 6) Continuation Rule: If an inning is started all attempts should be made to complete it. The DOD has discretion to end an inning due to curfew rules. Depending upon the game situation the final inning may have to be rescheduled.

    1. Record against in-division opponents.
    1. Strength of victory.
  - A team's strength of victory is the total games won by each opponent that a team has beaten.
  - Each win by the opponent counts as one game and each tie by the opponent counts as one-half game.
  - If a team has beaten the same opponent twice, then that opponent's win total is counted twice.
  - For example: If Team A and Team B finished tied with a 12-2 record and the twelve opponents beaten by Team A won 84 games and the twelve opponents beaten by Team B won 82 games, then Team A has a better strength of victory.
- d. One Game Playoff to settle division winner.

**NOTE 1:** In the case of ties with more than two (2) teams, once a team is eliminated from the tie, start back over at the top of the tiebreakers with the remaining teams; if multiple teams are eliminated at the same step, they are all eliminated. For example: If four (4) teams are tied and the strength of victory tiebreaker is to be applied and the teams have strength of victory scores of 50, 50, 48, and 47, the teams with 48 and 47 are eliminated and the two teams with 50 scores go back to head to head.

**NOTE 2:** In the event of an unbalanced schedule, only record in division will count towards final division standings.

## Tournament Teams

### Futures Games (T-Ball-Coach Pitch)

- 1) Number of teams and age configurations will be voted on by the board each year when final numbers are confirmed.

### All-Star Teams (Kid Pitch)

- 2) Number of teams and age configurations will be voted on by the board each year when final numbers are confirmed.

### PLL All-Star Selection Process

The All-Star Selection Committee shall consist of: (1) The Little League President, (2) The Little League Vice-President, (3) The Senior Little League Vice-President; and (4) The Player Agent.

#### ***Eligibility Clause:***

To be eligible for consideration for the 12-year-old All-Star teams, the player must be completing his second consecutive PLL spring season, unless the player did not live in the PLL boundary during the prior spring season, or the player can prove an injury prevented his participation during the prior spring season. Parents may petition the board to be considered; this must be voted on by the entire board.

Managers and/or Coaches, who choose to leave the league for one (1) or more seasons, will be ineligible to manage or coach a PLL All Star team upon returning to the league until they reach their second consecutive spring season.

#### **Step 1: Player Selection**

**NOTE:** Parents/Players must realize the time commitment for the All-Star season, and that any absence after the first day of practice will be cause for replacement, at the discretion of the All-Star Manager.

- 1) The Manager and Coach of record for each team will meet in a separate meeting called by the Player Agent with at least seven (7) days prior notice.
  - a) If possible, the meeting should occur after first place has been decided.
  - b) At this meeting, the Managers and Coaches of record will be given a list of players who are eligible for All-Star consideration.
- 2) Before voting, the Managers and Coaches should openly discuss the eligible players so that everyone has input on the players being considered for the All-Star team. The discussion should help the Managers/Coaches rank the players and provide guidance for the All-Star Manager.
  - a) Any information divulged during this meeting shall remain confidential and must not be discussed outside the selection meeting.
- 3) After the discussion, one representative (either a manager or coach/combined) shall complete a ballot that rank-orders the eligible players.
- 4) Each ballot must rank-order a minimum of twenty (20) eligible players. Ballots will be submitted at the meeting to the player agent.
  - a) Ballots with less than twenty (20) eligible players will be invalid and not used.
  - b) The players should be ranked based on their abilities with the best player being ranked number 1 and the lowest number 20.
  - c) Players highest and lowest score will be dropped off the ballot.

#### **Step 2: Tabulating Results**

After the All-Star ballots have been submitted, the Selection Committee (Little League President, Little League Vice-President, Senior Little League Vice-President, Senior Player Agent, and Player

Agent) will tabulate the ballots and create a rank-ordered list, with the point totals, of the top twenty (20) players, including ties. To be considered official and complete, at least two (2) members of the Selection Committee must be present during the vote tabulation. The rank-ordered list, with points total, will be given to the All-Star Manager as soon as that manager is approved by the PLL Board.

### **Step 3: All-Star Manager Selection**

The All-Star Manager will be selected by a vote of the PLL The Board in a special meeting called for that purpose. The All-Star Manager will be selected from the eligible managers in their respective divisions. All managers wanting to be considered will need to fill out an application.

The Board must select the Manager that finishes first, unless that Manager declines consideration, or is ruled ineligible because of poor standing within PLL; including, but not limited to: unmet financial obligations, recurring, poor displays of sportsmanship, etc. If the First-Place Manager declines consideration or is ruled ineligible, then The Board must select the Second-Place Manager as the All-Star Manager unless that Manager declines consideration, or is ruled ineligible because of poor standing within PLL; including but not limited to: unmet financial obligations, recurring, poor displays of sportsmanship, etc.

If both the First and Second Place Manager decline consideration or are ruled ineligible, then The Board must select the Third-Place Manager as the All-Star Manager. The Board will continue this selection process in sequential order of finish (i.e. Fourth Place Manager, then Fifth Place Manager, etc.), until an All-Star Manager is selected. If all Managers decline consideration or are ruled ineligible, The Board will select a suitable candidate to manage the All-Star team. All Managers who are ruled ineligible will be given opportunity to appear before The Board and state their case regarding possible selection as All-Star Manager.

Once approved, the All-Star Manager may select up to two (2) eligible coaches of record that must also be in good standing with PLL to assist as All-Star Coaches. These Coaches must be regular season Manager or Coaches of record. A Manager or Coach of record is a volunteer brought before The Board no later than April 15<sup>th</sup> as provided for in the Tournament Section of the Little League Baseball Rules and Regulations.

The eleven- (11) and twelve (12)-year old All-Star Managers will be chosen from the Major Division; the ten (10)-year old All-Star Manager will be chosen from the Minor Division, and the nine (9)-year old All-Star Manager will be chosen from the Pee Wee Division. Players may be chosen in a higher division if the manager chooses.

### **Step 4: Tryouts**

Tryouts will happen for each all-star division. The top 20 players will automatically be invited to the tryout, the manager may select 5 “wild card” players to attend if necessary.

**Step 5:** After the tryout the final All-Star Team is selected by the Manager and staff

The top 3 players from the initial ballet are automatically selected to the All-Star team.

The manager is responsible for choosing the remaining players up to the minimum and/or max number allowed by rule (currently 12 and 14 respectively). If a team desires to keep less than the minimum they must request this to the tournament committee. If the committee supports the decision it will be submitted to D15 for approval.

Manager shall have the option of taking two wild card players on the final roster. Wild cards must be approved by the All-Star Committee.

If a manager chooses, they may select a player from a lower division that attended the tryout.
